ANNOUNCEMENTS

SUMMER SEASON OPENS MONDAY

At the Elvira With Pictures De Luxe Set in Elaborate Stage Setting With Novel Lighting Effects.

For the lovers of motion pictures of the higher type there is in store an exceptional evening of entertainment with the coming production of Eugene Walters' greatest theatrical success and five-season hit, "Paid in Full." A five-part photoplay which has elicited a wonderful praise from critics the country over.

Everything known to modern day photoplay production has been utilized—a most complete scenario by Louis Reeves Harrison, an acting cast of Broadway favorites, the majority of whom are of the original theatrical company, sumptuous settings and exceptional acting throughout.

Tully Marshall, the originator of the part of Joe Brooks, is again seen in the same character, and in his support are William R. Hale as Captain Williams, Caroline French as Emma Brooks, George Irving as Jimmy Smith, Hattie Russell as Mrs. Harris, and Virginia King as Beth Harris, and others.

"Paid in Full" will be shown at the Elvira the first half of next week in conjunction with four other motion pictures and funny Keystone comedies, starting the summer season schedule. The pictures will be surrounded by the new setting and no expense has been spared to make this theatre an ideal summer picture playhouse. Ed. J. Boyle, American, formerly of the Elvira, will give a concert programme of old time songs and duets each performance. Three shows daily, no advance in prices. Don't miss the big five-act show today, the best of the season.

WHERE TO SPEND THE VACATION

That is the important question to the majority of American people just now.

The railroads and resort managers are eager for business and they bid for it in a lively manner.

No need for anyone to choose disappointment instead of rest and delightful recreation.

Read the advertising in today's Bulletin and send for the booklet and literature so freely offered.

It is sometimes as much fun studying the resort literature as it is to travel—and it's a liberal education.

It is the duty of the modern newspaper to help its readers. In this season of the year the resort and railroad advertising is one of the most service-giving features.
